

IN THE SPECIFICATION:

Please replace the paragraph beginning on page 8, line 17 with the following:

Referring also to FIG. 2, a graphical interface 62 is shown which integrates the individual windows described in FIG. 1. While the windows are generated as separate functions/entities in the software, they would not appear as separate windows in the graphical interface 62. Thus, it will be appreciated that the windows can be integrated on one interface as shown in FIG. 2 or as separate floating windows as shown in FIG. 1 without departing from the invention.
